

United States Department of Agriculture

Office of the Secretary
Washington, D.C. 20250

June 22, 2021

The Honorable Tony Evers
Governor
State of Wisconsin
Madison, Wisconsin 53707

Dear Governor Evers:

In accordance with 7 CFR 759.5(a), I am designating three Wisconsin counties as primary natural disaster areas due to a recent drought.

According to the U.S. Drought Monitor (see <http://droughtmonitor.unl.edu/>), these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for 8 or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

In accordance with section 321(a) of the Consolidated Farm and Rural Development Act, additional areas of your state and an adjacent state are named as contiguous disaster counties. Enclosed you will find documentation that provides a detailed list of all primary and contiguous counties impacted by this disaster.

A Secretarial disaster designation makes farm operators in primary counties and those counties contiguous to such primary counties eligible to be considered for certain assistance from the Farm Service Agency (FSA), provided eligibility requirements are met. This assistance includes FSA emergency loans. Farmers in eligible counties have 8 months from the date of a Secretarial disaster declaration to apply for emergency loans. FSA considers each emergency loan application on its own merits, taking into account the extent of production losses on the farm and the security and repayment ability of the operator.

Local FSA offices can provide affected farmers with further information.

Sincerely,

A handwritten signature in blue ink that reads "Thomas J. Vilsack". The signature is fluid and cursive, with the first name being the most prominent.
